Our permit (GEG460000) is currently administratively continued as of January 19, 2023 and we are working on getting it to public notice ASAP.

Hi. I was wondering what the latest news is on the NPDES permit discharges in the Offshore O & G category in R 4? I thought the permit expired at the end of January. Is it administratively

continued? I know Region 6 is still trying to get their permit published.

Thanks,

Erin
